If caregivers have a choice

# Nemo

## Safe and secure tilting comfort for any care situation

**5100 5100**

### Nemo shower toilet chair

The Nemo is a castored and tiltable shower and toilet chair specially designed for clients who need extra support during daily care. The manually tilting shower and toilet chair allows clients to be placed in a comfortable and stable position, while care professionals continue to work in an ergonomically sound position. This contributes to physical relief and increases safety for both parties.

The chair is suitable for use both in the shower and as a toilet seat and can be easily placed over the toilet. With its compact size and central braking system, the Nemo is highly manoeuvrable and safe to use, even in smaller spaces. The sturdy, low-maintenance construction is designed for daily intensive use.

The Nemo is a reliable aid that contributes to high-quality daily care with attention and ease of use.

**Manually tiltable** up to 30 degrees by gas spring for optimal positioning and ergonomic care.

**Ergonomic Use.** Equipped with smart handles and four braked castors to simplify manoeuvrability, ensuring high stability on various surfaces and minimizing the strain on the caregiver's joints.

**Reliable & Long-Lasting.** Built for daily care and backed by a 60-month warranty, offering a dependable performance.

**Antibacterial & Corrosion-Resistant.** The antibacterial coating with silver-ion supports hygiene and infection control, while the corrosion-resistant frame with smooth surfaces ensures durability and easy cleaning.
